ABOUT THE PROGRAM

The greatest skill any lawyer can possess is the ability to write clearly, concisely, and convincingly. Good writing skills will not only improve the results you obtain, but will also enhance your reputation, and improve your relationships with judges, other lawyers and clients. In this webinar, William Bernhardt, lawyer and *New York Times* bestselling author of more than forty books tells lawyers what they need to know to succeed on the printed page, based upon personal experience, interviews with judges and lawyers, and a lifetime of writing. Bernhardt uses powerful onscreen “before and after” examples to demonstrate how attention to language and the application of good writing principles can improve any lawyer's written work. Among other topics, he covers common writing errors, the pitfalls of legalese, and the critical importance of simplicity. If you're a busy lawyer looking to concentrate essential writing advice into a convenient, 90-minute presentation, then this course is for you. Reserve your spot early to avoid disappointment – this webinar always sells out!
